PARENT(s)/GUARDIAN(s): Please read the following, initial, and sign:

The Gooseberry Park Players believe in supporting all youth and families in the Red River Valley schools. However, in order to create a production of excellence, student-performed and student technician-run production, the “sweat equity” (volunteerism) of each individual youth and their family is essential to the production’s success. Because there is NO fee for involvement we ask that each family sell a minimum of 30 tickets for the production and contribute no less than 30 total hours of Tech Time (this does not include time spent at Strike)

I/We give permission for our performer’s/technician’s name, address, phone number and e-mail to be included in a Company Locator which will be shared with all families to facilitate car-pooling, information exchange, pot lucks, and emergencies. _____

I/We understand that my/our performer/technician will be expected to adhere to basic rules of behavior and safety. I/We understand that if disciplinary problems occur and cannot be solved, the performer/technician may be released from the company. _____

I/We understand that the Gooseberry Park Players make all decisions regarding production and performance elements. The Directors/Designers are willing to discuss designs and concepts, but ultimately, it is their vision that takes precedence.
 I/We will bring any concerns to the Managing Director and abstain from making any design changes (including haircuts) without consent. _____

I/We understand and acknowledge the educational philosophy of the Gooseberry Park Players which includes a dedication to the learning process, positive reinforcement of creative and talented individuals, safe and secure facilities, and a serious concern for the well-being of the whole person, not just their performance capabilities. I/We will support this activity for our performer/technician by contributing our time and efforts when possible, and our positive encouragement, always. _____

I/We have read the above and understand what is required of our family to be involved with the Gooseberry Park Players 2010 summer production of *a Dszungel Konyve – Kipling’s Jungle Book*.
