NEW *Robin Hood Musical* for the Gooseberry Park Players.

Monday, March 26, 2007 – Gooseberry Park Players has achieved a once in a lifetime opportunity with this summer's production, a United States premiere of a new musical.

The production that comes to us direct from the United Kingdom is entitled ***Hood: the Musical – The New Legend of Robin Hood***. It is the well-loved story of truth, freedom, and redemption, a family classic. ***Hood: the Musical*** tells the exciting folk-tale of the hero Robin Hood and his "outlaws," Maid Marian and the notorious Sheriff of Nottingham and the battle for justice and peace.

We are ecstatic to announce that this show is full of possibilities and roles for young performers and technicians. The 46-person cast consists of 8-10 male and 8-10 female lead roles. This challenging and high-energy production incorporates music, dance, stage combat, flying, special effects and incredible characters in a Broadway-caliber musical designed, directed, and choreographed by a staff of professional artists whose work has been seen across the country.

Keep an eye out for upcoming information on Information Meetings, Audition Dates, and Performance Dates. See you in Sherwood Forest this summer!

For more information on ***Hood: The Musical*** or general information on The Gooseberry Park Players visit our website at www.gooseberryparkplayers.org or contact:
