April 2007

As Mayor of Moorhead, I would like to take this opportunity to congratulate The Gooseberry Park Players for 25 years of outstanding theatrical productions in Moorhead! Through your mission of providing young people with a unique educational and multigenerational summer theatre experience, you touch the lives of so many youth, families, and community members in the Moorhead-Fargo area.

Moorhead is rich in history and culture and your superb productions have added to the rich tapestry of cultural life in our city. Gooseberry Park Players teaches children so much about the theatre as well as respect and responsibility. You are an invaluable part of the community and we are glad you're here!

Best wishes for continued success and on behalf of the City of Moorhead, I look forward to this year's production of HOOD: The Musical – The New Legend of Robin Hood.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark Voxland", written in a cursive style.

Mark Voxland
