News and Happenings of The Gooseberry Park Players

Wrap Up • HOOD: The Musical *The New Legend of Robin Hood*

## A Note from AJ...

I've had a request from Andy Brown and Steve Williamson that anyone involved with our recent production of *Hood: The Musical* is welcome to submit comments to their website. They currently have a mention of our production on the opening page of their website and are looking to add additional commentary from those who actually worked on the show. They would like a comment or two, name and "job" done....

Please be positive in your commentary. Their website represents their work for future licensing as well as the Gooseberry Park Players, so we need to keep it upbeat and energetic.

Here's the address to be used to e-mail comments about their experiences working on this incredible production: [comments@hoodthemusical.com](mailto:comments@hoodthemusical.com)

Jason, Matt, Jim and myself will be submitting a lengthy de-brief to Andy and Steve about improvements we made ourselves or see could be made in the future to improve their product. If anyone would like to give input to me regarding the show, please send me an e-mail.

## 25th Anniversary a Success

There was great response for the 25th anniversary celebration. Thank you to the people who contributed to the display, and Caribou Coffee and Hornbachers for coffee and cookies donations. We were able to compile a list of plays Gooseberry had done from 1988 and forward. If anyone knows what was performed in 1982, 83, 84, 85, 86, and 87 we would love to have a complete listing for the archives and when we want to celebrate our 30 year anniversary in 5 short years! Thanks so much! Sue Dale

## Lost and Found

Colleen Ford-Dunker has emailed photos of lost and found clothing items. If any of these items look familiar you can stop by our house anytime and pick them up. They will be in a Rubbermaid tub on the front porch. Any items not picked up before school starts will be donated to Dakota Boys Ranch. See article regarding costumes for sale for Colleen's address and phone number. *Thanks Colleen!*

## HOOD Video/Photo Disk Orders

HOOD Video Disks can be ordered by calling Frank Pierce at 218-236-6187. Cost is \$5 each.

HOOD Photo Disk order forms can be downloaded from the home page of [www.gooseberryparkplayers.org](http://www.gooseberryparkplayers.org). Please fill out the form and mail it as directed along with a check made out to Mike Benedict. Other Gooseberry and Trollwood Photo Disks may also be ordered. Cost is \$20 each.

## Costume Designs for Sale

Rooth Varland has generously offered this year's HOOD costume designs for sale as a benefit to GPP. These designs were drawn from photos taken of the kids at the "Walk Through Sherwood Forest" and most have cloth samples attached. In addition, they are all signed by Rooth. Below is a list of the designs that are available for purchase (only \$5 a piece!). Unfortunately, not every character has a design. These will be at my house (Colleen Ford-Dunker) in a Rubbermaid tub on the front porch. Stop by anytime. Knock on the door and we can have a chat if you like to, but not required! Please leave your check, made out to Gooseberry Park Players, in the envelope provided. Our address: 1431 5<sup>th</sup> Ave. S., Fargo. Call or e-mail if you have questions: 451-0761.

## Awesome Silent Auction!

Preliminary numbers for silent auction revenue are \$12,600. Gary is still waiting to connect with a few people, but it's safe to say that the proceeds will be at least this much. *Good job Gary and crew!*
